Security Equipment Corporation
747 Sun Park Drive
Fenton, MO 63026
Emergency Phone: 800-325-9568

DIRECTIONS FOR USE:

FOR USE AGAINST AGGRESSIVE DOGS AND COYOTES ONLY. When threatened by an aggressive dog or coyote, *turn actuator 45 degrees. {... lift flip-top safety cover...}* to "**Ready**" position. Place finger on actuator tab. Point nozzle directly towards dog's/coyote's face. Depress actuator tab for a burst of spray to a maximum range of 3 meters. Move away to avoid exposure to spray.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Avoid contact with skin and eyes and avoid inhalation of spray. Severe irritation to eyes, nose and skin can occur. Avoid touching eyes and face until you have washed your hands. Persons with respiratory problems or wearing contact lenses should not use this product. While travelling do not store in passenger compartment. Contact air carriers concerning air transport. Contents under pressure. Container may explode if heated. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture container store at temperatures over 50°C.

DISPOSAL:

Do not incinerate. When the container is empty, press valve to release all pressure. Dispose of empty container in household garbage.

FIRST AID:

If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If on skin or clothing**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If inhaled**, move to fresh air. Symptoms usually disappear within one hour. If symptoms persist, obtain medical attention or call a Poison Control Centre immediately. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, until ambulance arrives.

Take container, label or product name and PCP Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.
